

The Future has a name Marcilio Browne

The Future has a name – Marcilio Browne

Mistral Int. is very proud to announce that one of the most talented Windsurfer – Marcilio Browne (Brasil) – has joined Mistral for the upcoming 2 years.

After Robby Naish, Nik Baker & the Moreno Twins Mistral has managed to sign another Jewel which could become Wave World Champion within the next two years.

After his first season ever he became straight Top Ten Overall within Wave & Freestyle – that was already an outstanding performance. With his talent, attitude and style he will be one of the guy to watch out for the next years. So be prepared !

Welcome Marcilio

January 2007 Mistral
